# Finwo General Purpose License v0.1

## Abstract

This document defines the Finwo General Purpose License (FGPL), intended for being applied as software license for libraries and complete projects.

## Human-readable form

### Summary

This license is **source-available** but not open source under the OSI definition. It is designed to:

- Allow free use, modification, and redistribution, including commercial use.
- Require attribution, modification notices, and anti-rebranding for redistributions or public offerings.

### What you can and cannot do

Allowed:

- Use in personal, educational or commercial projects
- Include the Software as a component in a larger product or service
- Modify the Software and redistribute with attribution and modification notices
- Host the Software in a public or private service with proper attribution and notices

Not allowed:

- Rebrand the the Software as an independent or proprietary product
- Remove attribution or license notices when redistributing
- Host or redistribute without disclosing modifications

# The License

Copyright (c) [YEAR] [COPYRIGHT HOLDER]

Permission is hereby granted, free of charge, to any person obtaining a copy of this software and associated documentation files (the "Software"), to use, copy, modify, and distribute the Software, subject to the following conditions:

1. Redistributions of source code must retain the above copyright notice, this list of conditions, and the following disclaimer.
2. Redistributions in binary form, or any public offering of the Software (including hosted or managed services), must reproduce the above copyright notice, this list of conditions, and the following disclaimer in the documentation and/or other materials provided.
3. Any redistribution or public offering of the Software must clearly attribute the Software to the original copyright holder, reference this License, and include a link to the official project repository or website.
4. The Software may not be renamed, rebranded, or marketed in a manner that implies it is an independent or proprietary product. Derivative works must clearly state that they are based on the Software.
5. Modifications to copies of the Software must carry prominent notices stating that changes were made, the nature of the modifications, and the date of the modifications.

Any violation of these conditions terminates the permissions granted herein.

THIS SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. IN NO EVENT SHALL THE COPYRIGHT HOLDER OR CONTRIBUTORS BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF OR IN CONNECTION WITH THE SOFTWARE OR THE USE OR OTHER DEALINGS IN THE SOFTWARE.
